

Now inviting Hosts for 2021 Parties!

Are you fully vaccinated and happy to be gathering with friends and family again? Are you encouraged by the changing seasons and hopeful for what's to come? Are you eager to host a small social gathering, after months of waiting? **Let us introduce you to CCH Parties with a Purpose!**

Parties with a Purpose started in 2020 after CCH was forced to postpone and ultimately cancel its Annual Spring Benefit because of the COVID-19 pandemic. CCH supporters hosted small gatherings at their homes - many were outside, some were themed, all were safely and socially distanced!

When you host a CCH Party with a Purpose, YOU decide what your party looks like! Want to invite only one or two couples to come share a meal at your dining room table? *Great!* Comfortable with a larger group gathering in your garden? *Fabulous!* Home-cooked meal versus take-out, tropical cocktails versus a traditional cookout - it's up to you!

Each party may look different, but all gather with the same purpose:
To support the mission & ministry of CCH!

Garden Party hosted by Lori Dabinett & Russ McKelway - Berryville, VA

Zoom Party hosted by Vernelle & Willie Boykin - Online

Porch Party hosted by Emmy & Wood Parker - Great Falls, VA

“Doing these parties gives people who aren’t in Northern Virginia a way to participate in something that supports CCH!” - Mary Hall, Virginia Beach, VA

Learn more on the reverse side of this page!

When you agree to host a CCH Party with a Purpose, you commit to:

- Host a gathering, however big or small. Pick the date and time that is most suitable for you!
- Have a television or computer available and viewable by your party on which you show a CCH video message. (*Videos will include information about CCH's mission, a message of gratitude for party participants and an invitation to give a financial gift in support of that work.*)
- Identify an AV Point of Contact - someone who will be present at your party and that we can connect with directly to confirm & troubleshoot technology.
- Accept and submit any financial pledges or gifts that your guests choose to donate to CCH (instructions provided) and then send those gifts to CCH.

When you agree to Host a CCH Party with a Purpose, CCH commits to:

- Assign a specific CCH staff member as your Point of Contact for party planning.
- Provide you with a **Host Kit** that includes invitation templates (print and digital), special Haiti thank you cards, a party video and a Host Guide. Host Kits will also include response cards and envelopes that enable you to collect and submit any financial pledges or gifts from your guests. (*Remember, this is an opportunity to spend time in fellowship and share information about CCH's work in Haiti. An invitation to give financially in support of that work will be included in CCH's video message. As the party host, you simply agree to be ready to accept any such gifts that night. Sample response cards are available on request.*)

“The invitations and thank you cards provided by CCH were so wonderful and helpful. And the paper mache birds CCH provided as favors for my guests were a hit!” - Helen Parker, Centreville, VA

“Having Clark to answer questions and provide additional program information ahead of time was very helpful.” - Myra Goodrich, Herndon, VA

CCH *Parties with a Purpose* are not limited by geography - we are hopeful that CCH friends across the nation will commit to gathering together this spring to help raise awareness about this important work that is transforming lives through healthcare, education and community development. We're all navigating uncertain times - let us stand strong with our community partners in Haiti by celebrating what is being accomplished and sharing the CCH story! **Contact Clark Seipt (clark@cchaiti.org or 571-289-0336) with questions or to confirm your willingness to Host.**
